In 2003, the Do-Not-Call Act was signed into law. This legislation allowed for the establishment and enforcement of a national Do-Not-Call Registry giving consumers a choice regarding telemarketing calls. If your number is listed on the registry, all commercial telemarketers, except for businesses with whom you have an existing relationship or certain non-profit and political organizations, are not allowed to call you.

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry by telephone or by Internet at no cost. To register by telephone, consumers may call 1-888-382-1222. For TTY, call 1-866-290-4236. You must call from the phone number you wish to register. You can register on-line for the national Do-Not-Call Registry via the internet at **www.donotcall.gov**.

Inclusion of your telephone number on the national Do-Not-Call Registry will be effective 31 days after registration. Your number will remain on the registry for five years; however, there is pending legislation which may make the registration permanent. You are allowed to remove your number from the registry at any time.

If you are engaged in making telephone solicitations, you should be aware of the requirements of the national Do-Not-Call rules and regulations. **The relevant federal do-not-call rules are set forth in 47 C.F.R. § 64.1200 and 16 C.F.R. Part 310, respectively.**

This notification is being provided as a reminder of your obligations under the above federal do-not-call rules. For additional information, you may contact the Federal Communications Commission at 1-888-225-5322, on the Internet at www.fcc.gov or by e-mail to fccinfo@fcc.gov.
